

WHO WE ARE

SJRC Texas is a nonprofit organization that cares for children and families who have been affected by trauma, abuse and neglect. Many of the youth in our care have been removed from their homes by the Texas Department of Family and Protective Services. For nearly 40 years, we have served as their safe haven and offer hope to begin the journey of healing.

MISSION

To offer healing and hope to children and families affected by abuse, abandonment or neglect.

VISION

Abused and neglected children will be empowered to grow up to be happy, productive and caring adults.

OUR SERVICES

We provide several programs, services and support groups that allow us to provide the best care possible while enabling our youth to heal and thrive.

PREGNANT & PARENTING TEEN PROGRAM

We provide mothers and expecting mothers between 13-20 years old the tools to address their trauma in a safe and less restrictive environment. Not only do they learn how to break the cycle of abuse and neglect within their own family, each mother participates in therapy, parenting education and life skills training. We also offer an on-campus day care to give flexibility for the mothers to complete their education and seek a career.

SERVICES FOR COMMERCIAL SEXUALLY EXPLOITED YOUTH

We offer trafficking and trauma-informed therapeutic services to fit the unique needs of every youth. With the support of our devoted team and program, these young women are encouraged to find normalcy while working through the traumas of being a survivor of child sex trafficking.

CHILD PLACING AGENCY

Our Child Placing Agency (CPA) provides a safe haven for our state's most vulnerable children. SJRC Texas' dedicated CPA team focuses on reuniting youth with their parents as well as providing superior community foster care and adoption services to achieve forever families.

PARENTING & PREVENTION PROGRAM

The Parents as Teachers Parenting Program provides FREE in-home or virtual parenting support, information and resources for families to help their children develop during the crucial early years of life. We believe supporting healthy families builds a healthy community.

"I lived here for 2 years. I loved it. Looking back I took it for granted, but this place is great and they provide a loving environment for hurt children. Thanks SJRC Texas for helping me and many other kids!"
